

# Columbia NWR – Bird List

## Season Symbols

Sp - Spring, March through May  
 S - Summer, June through August  
 F - Fall, September through November  
 W - Winter, December through February

## Abundance Symbols

A - abundant, seen in abundance in the appropriate season and habitat  
 C - common, seen in moderate numbers in the appropriate season and habitat  
 Ca - casual, not recorded every year  
 Fc - fairly common, observed daily but in small numbers  
 U - uncommon, see annually but not daily  
 R - rare, known to be present but not every year, less than 10 observations  
 \* - birds known to nest locally  
 \*\* - indicates a threatened or endangered species

## Habitat Symbols

Ca - canyons, rock outcroppings, talus slopes  
 Fa - facilities  
 Fly - flyover  
 Gr - grasslands  
 L - lakes  
 M - marshes  
 Mt - mountains  
 Pp - power poles  
 Rip - riparian  
 Riv - rivers & streams  
 Shb - shrubs
